REGULATION (EEC) No 2029/75 OF THE COUNCIL
of 4 August 1975
amending Regulation (EEC) No 1192/74 on aid for dehydrated fodder

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1067/74 (1) of 30 April 1974 on the common organization of the market in dehydrated fodder, as last amended by Regulation (EEC) No 1420/75 (2), and in particular Article 3 (4) and Article 4 (4) thereof;

Having regard to the proposal from the Commission;

Whereas Article 3 of Council Regulation (EEC) No 1192/74 (3) of 13 May 1974 on aid for dehydrated fodder, as last amended by Council Regulation (EEC) No 1421/75 (4) states that plants processing their own production or that of their members shall submit each year a declaration of the areas the fodder harvest of which is destined for dehydration; whereas Article 6 of Commission Regulation (EEC) No 832/75 (5) of 26 March 1975 laying down detailed rules for the application of the system of aid for dehydrated fodder provides that this declaration of areas shall be submitted each year at the latest on 31 October following the beginning of the marketing year concerned;

Whereas potatoes have certain characteristics, with regard to their end uses, which distinguish them from other types of fodder to be dehydrated; whereas in particular they may have various end uses, as both human and animal food; whereas frequently during that marketing year it is desirable that in view of the development in the price of potatoes intended for human consumption, certain quantities should be used as animal fodder and dehydrated accordingly; whereas farms should therefore be exempted from the obligation to declare the surfaces concerned and provision should be made to ensure that in the event of dehydration of potatoes, these enterprises communicate before the beginning of each month the quantities which they plan to dehydrate during that month,

HAS ADOPTED THIS REGULATION:

Article 1

The following paragraph shall be added to Article 3 of Regulation (EEC) No 1192/74:

'However, the first paragraph shall not apply to the products listed under Article 1 (a) of Regulation (EEC) No 1067/74. For these products the plant shall submit, before the beginning of each month, to the authority designated by the Member States, the quantities of potatoes which it plans to dehydrate during the month in question.'

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 4 August 1975.

For the Council

The President

G. MARCORA
