REGULATION (EEC) No 2089/75 OF THE COMMISSION

of 8 August 1975

re-establishing the levying of customs duties on refracting telescopes (monocular and binocular), prismatic or not, falling within heading No 90.05, originating in developing countries to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3053/74 of 2 December 1974 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 3053/74 (1) of 2 December 1974 opening and providing for the administration of preferential Community tariff ceilings for certain products originating in developing countries, and in particular Article 4 (2) thereof;

Whereas Article 1 (3) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in units of account, which will be equal to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1971 and coming from countries and and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1972 cif imports coming from other countries and from countries and territories already covered by such arrangements;

Whereas Article 2 (1) of that Regulation provides that the customs duties may be re-established at any time once the Community ceiling has been reached;

Whereas, in respect refracting telescopes (monocular and binocular), prismatic or not, the ceiling, calculated as indicated above, should be 2 657 000 units of account; whereas on 5 August 1975 the amounts of imports into the Community of the products in question, originating in countries and territories covered by preferential tariff arrangements, reached that ceiling; whereas, bearing in mind the objectives of Regulation (EEC) No 3053/74 which provides that the ceiling should not be exceeded, customs duties should be re-established in respect of the products in question,

HAS ADOPTED THIS REGULATION:

Article 1

As from 12 August 1975, customs duties, suspended in pursuance of Council Regulation (EEC) No 3053/74 of 2 December 1974, shall be re-established in respect of the following products, imported into the Community:

CCT heading No	Description of goods
90.05	Refracting telescopes (monocular and binocular), prismatic or not

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 8 August 1975.
