REGULATION (EEC) No 2162/75 OF THE COMMISSION

of 19 August 1975

fixing for the marketing year 1975/76 the amounts by which import levies and export refunds fixed in advance for rice are to be adjusted

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 359/67/EEC [1] of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 668/75 [2], and in particular Articles 13 (5) and 17 (6) thereof ;

Having regard to Council Regulation No 365/67/EEC [3] of 25 July 1967 on rules for the advance fixing of levies on rice and broken rice, as last amended by Regulation (EEC) No 2435/70 [4], and in particular Article 9a (2) thereof ;

Whereas the aforesaid Regulation No 365/67/EEC and Council Regulation No 366/67/EEC [5] of 25 July 1967 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds, as last amended by Regulation (EEC) No 478/75 [6], provide that when the import levy or the export refund on rice is fixed in advance adjustments thereto are to be made on the basis of the conversion rates for the various stages of processing ; whereas it follows from this provision that the monthly price increases for paddy rice are to be calculated by applying the relevant conversion rate to the amounts of such increases in respect of husked rice and that the like increases for semi-milled rice are to be calculated by applying the relevant conversion rate to the amounts of such increases in respect of milled rice ;

Whereas for the marketing year 1975/76 the monthly increases applicable to the threshold price for husked rice were fixed by Council Regulation (EEC) No 1893/75 [7] of 22 July 1975 ; whereas, by Commission Regulation (EEC) No 2161/75 [8] of 19 August 1975 determining for the marketing year 1975/76 the variety of long grain rice representative of Community production, the difference in value between this variety and the variety of round grain rice corresponding to the standard quality and the threshold prices for long grain husked rice and for milled rice, the monthly increases applicable to milled rice have been included in the threshold prices for such rice, such prices being calculated for a variety of round grain and for a variety of long grain milled rice ; whereas the conversion rates to be taken into account were fixed by Commission Regulation No 467/67/EEC [9] of 21 August 1967, as last amended by Regulation (EEC) No 1484/75 [10] ;

Whereas for each stage of processing of the rice concerned application of the relevant conversion rate to the amounts of the monthly price increases results in the amounts shown in the tables annexed to this Regulation ; whereas the amount of the levy or refund applicable for the month of importation or exportation will thus be obtained by adding those amounts to the amount of the levy or refund in force during the month of advance fixing ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

Where the import levy or the export refund on paddy rice or semi-milled rice is fixed in advance, the adjustment of such levy or refund on the basis of the threshold price shall for the marketing year 1975/76 be made in accordance with the tables annexed to this Regulation.
