REGULATION (EEC) No 2188/75 OF THE COMMISSION

of 22 August 1975

authorizing the United Kingdom to suspend in part the component for protection of the processing industry as regards certain products of the cereals and rice sectors

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to the Act of Accession, and in particular Articles 59 (4) and 61 (3) thereof;

Whereas under Article 61 (3) of the Act the component for protection of the processing industry (hereinafter called 'fixed component') are to be progressively abolished in trade between the Community as originally constituted and the new Member States and between the new Member States themselves by reductions to be made at the beginning of the marketing year fixed for the basic product concerned at the rate laid down in Article 59 (1) of the Act; whereas, however, Article 59 (4) of the Act, which by virtue of Article 61 (3) of the Act applies to the fixed component, allows the new Member States to suspend in whole or in part such fixed component;

Whereas the United Kingdom has requested authorization from the Commission to suspend in part the fixed component as regards certain products of the cereals and rice sectors; whereas this measure is intended to nullify the effect of fixing a new representative rate for the pound sterling with effect from 4 August 1975 by maintaining the amount of the fixed component for certain products at their previous level in pounds sterling; whereas it appears appropriate to accede to this request;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The United Kingdom is authorized to suspend in part the fixed component applicable to imports from the other Member States of each of the products listed in the Annex hereto, thereby reducing it to the relevant amount specified therein.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*. It is applicable

— where those affected so request, from 4 August 1975 for products covered by Regulation No 120/67/EEC,

— from 1 September 1975 for products covered by Regulation No 359/67/EEC.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
