REGULATION (EEC) No 2226/75 OF THE COMMISSION

of 28 August 1975

determining the amounts applicable as accession compensatory amounts during the month of September 1975 to certain cereal and rice products exported in the form of goods not covered by Annex II to the Treaty

Having regard to Council Regulation (EEC) No 2979/74 (1) of 26 November 1974 establishing average compensatory amounts applicable to certain agricultural products exported in the form of goods not covered by Annex II to the Treaty;

Whereas as regards cereals and rice accession compensatory amounts are applicable to the basic products specified in Annex A to Council Regulation (EEC) No 2682/72 (2) of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty and the criteria for fixing the amounts of such refunds, and mentioned:

— in Article 1 of Council Regulation No 120/67/EEC (3) of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 665/75 (4), or

— in Article 1 (1) of Council Regulation No 359/67/EEC (5) of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 668/75 (6),

Whereas during the month of August 1975 the compensatory amounts for certain cereals have been varied, and consequently, pursuant to Article 1 of Regulation (EEC) No 2979/74, average amounts to be applied as accession compensatory amounts must be determined, having regard as appropriate to paragraph 2 of the said Article;

Whereas these provisions are not to apply to products falling within tariff subheading 17.02 B I, which, pursuant to Council Regulation No 189/66/EEC (7) of 24 November 1966 on glucose and lactose, are subject to the arrangements laid down for subheading 17.02 B II,
