REGULATION (EEC) No 2284/75 OF THE COMMISSION

of 4 September 1975

suspending the advance fixing of accession compensatory amounts for maize, barley and certain processed products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to the Treaty (1), concerning the accession of new Member States to the European Economic Community and to the European Atomic Energy Community, signed in Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 229/73 (2), of 31 January 1973 laying down general rules for the system of compensatory amounts for cereals and fixing those amounts for certain products, as last amended by Regulation (EEC) No 1602/75 (3), and in particular Article 6 (2) thereof;

Whereas Commission Regulation (EEC) No 3280/73 (4) of 4 December 1973 establishing a system for the advance fixing of accession compensatory amounts and laying down detailed rules for its application in respect of cereal and rice products, as supplemented by Regulation (EEC) No 1580/74 (5), introduced the advance fixing of accession compensatory amounts in trade with non-member countries and between Member States;

Whereas the development in the price situation on the world market for maize and barley leads to considerable fluctuations in the import levy on those products; whereas by virtue of the rules governing accession compensatory amounts, those fluctuations affect those amounts to the same extent; whereas in these circumstances the advance fixing facility in respect of accession compensatory amounts results in certain cases in the application of amounts greater than would be justified in terms of the object in view, namely the equalization of price levels in trade between Member States; whereas it therefore appears advisable to suspend the advance fixing of accession compensatory amounts temporarily for maize and barley, and also for the same reasons for those lightly processed products based on these cereals;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. Advance fixing of the accession compensatory amounts for those products shown in the Annex is hereby suspended.

2. During the period of suspension of advance fixing the provisions of Article 2 of Regulation (EEC) No 3280/73 shall not apply in respect of those products shown in the Annex.

Article 2

This Regulation shall enter into force on 5 September 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
