REGULATION (EEC) No 2448/75 OF THE COMMISSION

of 25 September 1975

suspending the monetary compensatory amounts for certain wines

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 974/71 (1) of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 475/75 (2), and in particular Article 6 thereof;

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 974/71 were fixed by Regulation (EEC) No 2021/75 (3);

Whereas compensatory amounts are at present applied to wine only in Germany; whereas a detailed study has shown that it is possible to discontinue the application of the monetary compensatory amounts in that country also in respect of certain wines, without causing disturbance of trade; whereas, however, it is necessary to proceed with caution; whereas provision should therefore be made for the suspension of those amounts;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

With effect from 29 September 1975, the application of monetary compensatory amounts to wines shall be suspended; however, in Germany, such amounts shall continue to apply in respect of the following wines falling within subheading ex 22.05 C I:

— table wines of types A II and A III within the meaning of Regulation (EEC) No 945/70 and white wines presented for importation under the name of the Riesling or Sylvaner vine variety.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
