REGULATION (EEC) No 2502/75 OF THE COMMISSION

of 30 September 1975

extending the period of validity of protective measures in respect of the import of tunny for industrial manufacture

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2142/70 (1) of 20 October 1970 on the common organization of the market in fishery products, as last amended by Regulation (EEC) No 1182/75 (2), and in particular Article 20 (2) thereof;

Whereas Commission Regulation (EEC) No 460/75 (3) of 26 February 1975, as last amended by Regulation (EEC) No 1682/75 (4), laid down protective measures in respect of the import into France until 1 October 1975 of tunny for the industrial manufacture of products falling within heading No 16.04 of the Common Customs Tariff; whereas the French Republic submitted on 26 September 1975 a request for the extension of these measures;

Whereas in recent weeks demand on the French market has been satisfactory, so that a favourable development in the crisis affecting that product may now be hoped for; whereas, however, the existence of unsold stocks still necessitates exceptional measures in order to prevent imports from non-member countries from interrupting such favourable development; whereas imports from non-member countries could still disturb the market, particularly in view of world market prices for the product compared with French market prices for it; whereas it is therefore necessary to maintain the present arrangements,

HAS ADOPTED THIS REGULATION:

Article 1

In Article 1 of Regulation (EEC) No 460/75, the date '1 October 1975' is replaced by '31 October 1975'.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
