REGULATION (EEC) No 2645/75 OF THE COMMISSION

of 17 October 1975

amending Regulation No 282/67/EEC on detailed rules for intervention for oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 136/66/EEC (1) of 22 September 1966 on the establishment of a common organization of the market in oils and fats, as last amended by Regulation (EEC) No 1707/73 (2), and in particular Article 26 (3) thereof;

Whereas Article 1 of Council Regulation (EEC) No 2505/75 (3) of 29 September 1975, amending Regulation (EEC) No 657/75 as regards the standard quality for colza and rape seed varied with effect from the 1975/76 marketing year the prescribed oil content of those seeds;

Whereas Article 7 of Commission Regulation No 282/67/EEC (4) of 11 July 1967 on detailed rules for intervention for oil seeds, as last amended by Regulation (EEC) No 2135/75 (5), provides for price increases or reductions for seed offered to the intervention agency which is of a quality other than the standard quality; whereas, following the variation of the standard quality for colza and rape seeds, the amount of the price increases or reductions set out in Annex I of Regulation No 282/67/EEC should be adjusted accordingly;

Whereas, however, in order to ensure that any benefits arising from this variation of the standard quality do not all go to producers of colza seed rich in oil and with a high erucic acid content, no price increase should be provided for in respect of seeds with an oil content of between 40 and 42 % offered to the intervention agency during the 1975/76 marketing year;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:
