REGULATION (EEC) No 2686/75 OF THE COMMISSION

of 22 October 1975

amending Regulation 91/66/EEC as regards the number of returning holdings per division for the 1976 accounting year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 79/65/EEC [1] of 15 June 1965 setting up a network for the collection of accountancy data on the incomes and business operation of agricultural holdings in the European Economic Community, as last amended by Regulation (EEC) No 2910/73 [2], and in particular Article 4 (4) thereof,

Whereas Article 3 of Commission Regulation No 91/66/EEC [3] of 29 June 1966 concerning the selection of returning holdings for the purpose of determining incomes of agricultural holdings, as last amended by Commission Regulation (EEC) No 2615/74 [4] of 14 October 1974 fixes the number of returning holdings per division;

Whereas the total number of 13 600 returning holdings comprising the data network in 1974 must gradually be increased at the start of each of the four accounting years beginning during the period 1975 to 1978 until it finally reaches the figure of 28 000;

Whereas the final distribution of the 28 000 returning holdings among the divisions should be effected on the basis of the results of the Community survey of the structure of agricultural holdings provided for in 1975;

Whereas, pending the results of that survey, the increase in the number of returning holdings per division for the 1976 accounting year should be based solely on estimates by the Member States of the number of holdings within the field of survey;

Whereas, therefore, the increase in the number of returning holdings per division for the 1976 accounting year must be restricted so as to avoid the need for a substantial readjustment of the sample in 1977 and 1978;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Committee for the Farm Accountancy Data Network,

HAS ADOPTED THIS REGULATION:

Sole Article

For the purpose of the 1976 accounting year, which begins during the period from 1 January to 1 July 1976, Annex III to Regulation No 91/66/EEC is replaced by the Annex to this Regulation.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
