REGULATION (EEC) No 2790/75 OF THE COMMISSION

of 28 October 1975

discontinuing the additional amounts for certain pigmeat products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 121/67/EEC [1] of 13 June 1967 on the common organization of the market in pigmeat, as last amended by Regulation (EEC) No 1861/74 [2], and in particular the second subparagraph of Article 13 (5) thereof;

Whereas for certain of the products specified in Article 1 (1) of Regulation No 121/67/EEC additional amounts were last fixed by Commission Regulation (EEC) No 2555/75 [3] of 8 October 1975 fixing the additional amounts for certain pigmeat products;

Whereas from the regular review of the date serving as a basis for the determination of average offer prices for the abovementioned products it appears that the free-at-frontier offer prices for the pilot products are no longer below the sluice-gate price; whereas the conditions set out in the first subparagraph of Article 2 (4) of Council Regulation No 137/67/EEC [4] of 13 June 1967 laying down general rules for the system of pilot products and derived products allowing additional amounts to be fixed for pigmeat, as last amended by Regulation (EEC) No 3158/73 [5], are not satisfied; whereas it is therefore necessary to discontinue additional amounts laid down in Regulation (EEC) No 2555/75;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 2555/75 is hereby repealed.

Article 2

This Regulation shall enter into force on 1 November 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 October 1975.
