REGULATION (EEC) No 2819/75 OF THE COMMISSION

of 30 October 1975

amending, as regards the victualling of ships and aircraft, Regulation (EEC) No 1380/75 laying down detailed rules for the application of monetary compensatory amounts

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation (EEC) No 974/71 (1) of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 475/75 (2), and in particular Article 6 thereof ;

Whereas the victualling of ships and aircraft involves very small quantities ; whereas the charging of monetary compensatory amounts in respect of these operations entails considerable administrative expenditure, both for the relevant administrative services and for traders, in relation to the amounts recovered and to the administrative machinery required for purposes of control ; whereas, in order to simplify procedure, it appears both possible and desirable to exempt such operations from those amounts where no export refund has been requested ;

Whereas Commission Regulation (EEC) No 1380/75 (3) of 29 May 1975 as amended by Regulation (EEC) No 2716/75 (4) of 24 October 1975 should therefore be amended accordingly ;

Whereas the measures provided for in this Regulation are in accordance with the Opinions of all the Management Committees of the common agriculture markets,

HAS ADOPTED THIS REGULATION :

Article 1

An Article 19a as follows added to Regulation (EEC) No 1380/75 :

'Article 19a

1. No monetary compensatory amount shall be charged on products which within the Community are for victualling purposes shipped on board sea-going vessels or aircraft serving on international routes, provided that the quantity involved does not exceed that reasonably required for consumption on board such vessels or aircraft.

2. However, if an export refund is requested for a product as referred to in paragraph 1, the monetary compensatory amount shall be applied.'

Article 2

This Regulation shall enter into force on 1 November 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
