REGULATION (EEC) No 2851/75 OF THE COMMISSION

of 31 October 1975

on the communication to the Commission of certain information concerning products processed from fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 865/68 (1) of 28 June 1968 on the common organization of the market in products processed from fruit and vegetables, as as last amended by Regulation (EEC) No 1420/75 (2), and in particular Article 13 thereof;

Whereas Article 2 (1) of Council Regulation (EEC) No 1927/75 (3) of 22 July 1975 concerning the system of trade with third countries in the market in products processed from fruit and vegetables provides for a minimum import price to be fixed in respect of tomato concentrates; whereas paragraph 3 of the said Article provides that there shall at the same time be fixed a special minimum price for imports into the new Member States;

Whereas in order to assess whether the system described above is operating satisfactorily it is necessary to examine its effect on intra-Community trade; whereas to that end it is necessary that the Commission be informed at regular intervals by the Member States of the Community as originally constituted of the quantities of concentrate which, having been imported into the new Member States from third countries, are then brought into intra-Community trade;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Products Processed from Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:

Article 1

1. Where tomato concentrate is imported into the Community and put into free circulation in accordance with Article 10 (1) of the Treaty, each Member State of the Community as originally constituted shall on the tenth day of each month notify the Commission of the quantities of such tomato concentrate imported into its territory from the new Member States during the last month but one preceding the month of notification.

2. The Member States shall communicate this information to the Commission:

— for the first time on 10 November 1975,

— for the last time on 10 February 1978.

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 31 October 1975.
