REGULATION (EEC) No 2893/75 OF THE COMMISSION

of 5 November 1975

amending Regulation (EEC) No 2582/75 fixing the amounts to be levied by way of accession compensatory amounts to prevent deflections of trade in the beef and veal sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty of Accession [1];

Having regard to Council Regulation (EEC) No 181/73 [2] of 23 January 1973 laying down general rules for a system of compensatory amounts for beef and veal, and in particular Article 14 (1) thereof;

Whereas Commission Regulation (EEC) No 2582/75 [3] of 10 October 1975 fixing the amounts to be levied by way of accession compensatory amounts to prevent deflections of trade in the beef and veal sector provides in Article 1 (2) that for products of the beef and veal sector coming from slaughterings in Ireland or the United Kingdom there is to be inserted on the Community transit document the declaration 'Products coming from cattle slaughtered in Ireland or the United Kingdom'; whereas, because of the short interval between the publication of the said Regulation and its entry into force, certain quantities of these products have been presented for import into Member States other than Ireland and the United Kingdom without the importers concerned having been able to procure a document bearing the prescribed declaration; whereas it should therefore be provided that, for those products for which export formalities from Ireland or the United Kingdom were completed before the entry into force of Regulation (EEC) No 2582/75, evidence equivalent to that envisaged in Article 1 (2) thereof should be acceptable;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

With effect from 13 October 1975 the following paragraph is added to Article 1 of Regulation (EEC) No 2582/75:

'3. However, for products for which export formalities from Ireland or from the United Kingdom were completed before 13 October 1975, evidence equivalent to that provided for in paragraph 2 shall be acceptable.'

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
