REGULATION (EEC) No 300/75 OF THE COMMISSION

of 5 February 1975

amending Regulations (EEC) No 2036/74, (EEC) No 2073/74 and (EEC) No 2320/74 as regards the selling price of certain beef held by the intervention agencies and deferring the qualifying date in respect of certain beef put up for sale by such agencies

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 [1] of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 [2], and in particular Article 7 (3) thereof;

Whereas certain selling prices for beef held by the intervention agencies were fixed by Commission Regulation (EEC) No 2036/74 [3] of 31 July 1974 fixing prices for the sale at reduced prices to certain institutions and bodies of a social character of hindquarters of adult bovine animals held by the intervention agencies, as last amended by Regulation (EEC) No 2818/74 [4], by Commission Regulation (EEC) No 2073/74 [5] of 5 August 1974 concerning the sale at prices fixed in advance at a standard rate of beef and veal held by the intervention agencies, as last amended by Regulation (EEC) No 3089/74 [6], and by Commission Regulation (EEC) No 2320/74 [7] of 10 September 1974 on the sale at prices fixed at a standard rate in advance of beef and veal held by the intervention agencies and intended for export, as last amended by Regulation (EEC) No 3089/74;

Whereas in the present market situation for beef and veal it is appropriate to adapt the standard rate prices in order to facilitate supplying to certain institutions and bodies of a social character and to utilize the possibilities of selling on third-country markets;

Whereas the types of cut for fore and hindquarters from intervention purchases of half-carcases made by the Netherlands have been changed; whereas it is in consequence necessary to adapt their descriptions and certain selling prices for this country;

Whereas Article 1 of Regulations (EEC) No 2073/74 and (EEC) No 2320/74 specifies a date before which meat to be sold at a standard-rate price fixed in advance must have been taken over; whereas the situation regarding stocks is such as to make it appropriate in order to facilitate the sale from intervention of meat bought-in in recent months to defer this date to 1 January 1975;

Whereas it is appropriate to make provision for the fairer apportionment of the meat concerned where the quantities available are limited, thus avoiding discouraging prospective purchasers who do are unable to submit their offers in time;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

1. The Annex to Regulation (EEC) No 2036/74 is replaced by that shown as Annex I to this Regulation.
