REGULATION (EEC) No 3062/75 OF THE COMMISSION
of 25 November 1975
terminating private storage aid for table wine of type R II

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 816/70 (1) of 28 April 1970 laying down additional provisions for the common organization of the market in wine, as last amended by Regulation (EEC) No 1932/75 (2), and in particular the first subparagraph of Article 5 (7) thereof;

Whereas Article 5 (3) of that Regulation stipulates that private storage aid is to be granted until at all the marketing centres the average price for the type of wine in question is equal to or higher than the activating price for two consecutive weeks;

Whereas Commission Regulation (EEC) No 394/75 (3) of 18 February 1975 on private storage aid for table wine of type R II provides for the granting of private storage aid from 19 February 1975 for table wine of type R II;

Whereas for this type of wine it is apparent from the prices fixed in the last three weeks that prices are either higher than the activating level, or that there has been no quotation, or lastly that the quotations have not been notified;

Whereas, therefore, the conclusion of storage contracts for wine of type R II should be terminated,

HAS ADOPTED THIS REGULATION:

Article 1

No further private storage contracts shall be concluded for table wine of type R II after 26 November 1975.

Article 2

This Regulation shall enter into force on 26 November 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 November 1975.
