REGULATION (EEC) No 3115/75 OF THE COMMISSION

of 28 November 1975

amending for the sixth time Regulation (EEC) No 1090/75 on the issue by way of protective measures of import licences for certain beef and veal products (EXIM)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 (2), and in particular Article 21 (2) thereof;

Whereas the system established by Commission Regulation (EEC) No 1090/75 (3) of 23 April 1975 on the issue by way of protective measures of import licences for certain beef and veal products (EXIM), as last amended by Regulation (EEC) No 2857/75 (4), has been gradually relaxed in order to restore the flow of imports without unduly affecting the quantities of beef and veal available on the Community market; whereas it is now possible to pursue this objective by allowing importers to choose, subject to a certain time limit, the commencement date for the second import licences, which have been obtainable in addition to the first import licences since 1 October 1975, when the rules were relaxed;

Whereas because of the end-of-year public holidays no provision has been made in respect of the month of December 1975 for the submission of applications for second import licences; whereas in pursuit of the objective as aforesaid, the period of validity should, exceptionally, be extended in the case of licences issued in that month in respect of imports for which the period of validity is usually relatively short as compared with imports of other products from other countries,

HAS ADOPTED THIS REGULATION:

Article 1

Article 4a (2) of Regulation (EEC) No 1090/75 is amended to read as follows:

'2. Applications for the issue of the second licence may be submitted during the third or fourth month following that in which the first application was submitted.'

Article 2

The second subparagraph of Article 5 (3) of Regulation (EEC) No 1090/75 is amended to read as follows:

'The second import licence shall be issued in accordance with Article 9 (1) and (3) of Regulation (EEC) No 193/75.'

Article 3

First licences issued during the month of December 1975 for products originating in and coming from non-member European countries shall expire on 31 January 1976.

Article 4

This Regulation shall enter into force on 1 December 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
