REGULATION (EEC) No 3143/75 OF THE COUNCIL

of 24 November 1975

on the total or partial suspension of Common Customs Tariff duties on certain agricultural products originating in Turkey

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 43 and 113 thereof;

Having regard to Council Regulation (EEC) No 1059/69 [1] of 28 May 1969 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products, as last amended by Council Regulation (EEC) No 1491/73 [2], and in particular Article 12 thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament [3];

Whereas under Annex 6 to the Additional Protocol laying down the conditions, procedures and timetables for implementing the transitional phase pursuant to Article 4 of the Agreement establishing an association between the European Economic Community and Turkey, and under Article 1 of the Interim Agreement between the European Economic Community and Turkey on account of the accession of new Member States to the Community, the Community must totally or partially suspend the Common Customs Tariff duty or duties applicable to certain products; whereas it also appears necessary on a provisional basis to adjust or supplement some of these tariff advantages provided for in the abovementioned Annex 6; whereas the Community should as regards the products originating in Turkey, and contained in the list annexed to this Regulation, suspend from 1 January to 31 December 1976, at the levels indicated for each of them, either the fixed component of the charge applicable to the goods coming under Regulation (EEC) No 1059/69 or the customs duty applicable to the other products;

Whereas, for certain products of Chapters 1 to 24 of the Common Customs Tariff, this scheme would, however, involve in 1976 the application in the new Member States of customs duties higher than or very close to those which are applied by the new Member States to non-member countries in general on the basis of the provisions of the Act of Accession; whereas in order to maintain an equivalent preferential margin for these products also, reduced customs duties should be applied to them, in accordance with detailed rules based on the principle of maintaining, in the new Member States, a preference proportional to that which exists between the duties of the Common Customs Tariff and the duties given in Annex A to this Regulation; whereas, with a view to granting to Turkey the best possible treatment, in accordance with the objectives of the preference scheme, the duties given in Annex A should also be applied wherever the duties calculated according to the abovementioned detailed rules prove to be higher than them,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January to 31 December 1976 the products originating in Turkey listed in Annex A shall be admitted for import into the Community at the customs duties indicated for each of them.

(1) OJ No L 141, 12. 6. 1969, p. 1.
(2) OJ No L 151, 7. 6. 1973, p. 1.
(3) OJ No C 257, 10. 11. 1975, p. 39.

On importation into Denmark, Ireland and the United Kingdom, there shall be applied to the abovementioned products the customs duties determined by multiplying, by a coefficient equal to the margin of preferences existing between the duties given in Annex A and the Common Customs Tariff duties applicable, the duties obtained by reducing the difference between the lowest duty applied to developing countries on 1 January 1972 and the Common Customs Tariff, by 60% in respect of the products mentioned in Annex B, and by 80% in respect of the other products given in Annex A.

However, the duties given in Annex A shall be applied where the duties resulting from the abovementioned calculation are higher than them.

2. For the purposes of application of this Regulation, the concept of 'originating products' and the methods of administrative cooperation shall be those laid down by Regulation (EEC) No 428/73 (1), as last amended by Regulation (EEC) No 1431/75 (2).

Article 2

When the imports of products benefiting from the arrangements provided for in Article 1 come into the Community in quantities or at prices which cause or threaten to cause serious loss to the Community producers of similar products or directly competitive products, the Common Customs Tariff duties may be partially or wholly re-introduced for the products in question. These measures may also be taken in the event of serious loss or the threat of serious loss limited to a single region of the Community.

Article 3

1. In order to ensure the application of Article 2, the Commission may decide by means of a Regulation to re-introduce Common Customs Tariff duties for a limited period.

2. If the action of the Commission was requested by a Member State, the Commission shall take a decision within a maximum period of 10 working days from receipt of the request and shall inform the Member States of the action taken.

3. Any Member State may remit to the Council the measure taken by the Commission within a period of 10 working days following the day of its notification. The intervention of the Council shall not have a suspensory effect. The Council shall meet without delay. It may by qualified majority modify or annul the measure in question.

Article 4

This Regulation shall enter into force on 1 January 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 24 November 1975.

For the Council

The President
