REGULATION (EEC) No 3203/75 OF THE COUNCIL

of 3 December 1975

totally or partially suspending Common Customs Tariff duties on certain products, falling within Chapters 1 to 24 of the Common Customs Tariff, originating in Malta

(1976)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 43 and 113 thereof;

Having regard to Council Regulation (EEC) No 1059/69 (1) of 28 May 1969 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products, as last amended by Regulation (EEC) No 1491/73 (2), and in particular Article 12 thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament (3);

Whereas, under Annex I to the Agreement (4) establishing an Association between the European Economic Community and Malta, the Community must partially suspend the Common Customs Tariff duties applicable to certain products; whereas it also appears necessary provisionally to adjust or to supplement certain of the tariff benefits provided for in the abovementioned Annex; whereas, accordingly, the Community should, in respect of the products originating in Malta listed in Annex A to this Regulation, suspend either the fixed component of the levy applicable to goods coming under Regulation (EEC) No 1059/69 or the customs duty applicable to the other products from 1 January to 31 December 1976 and at the levels indicated for each of them;

Whereas, for certain products of Chapters 1 to 24 of the Common Customs Tariff, this scheme would, however, involve the application in the new Member States in 1976 of customs duties higher than or very close to those applied by the new Member States to non-member countries in general on the basis of the Act of Accession; whereas, in order to maintain an equivalent preferential margin for these products also, reduced customs duties should be applied to them in accordance with the detailed rules based on the principle of maintaining in the new Member States a preference proportional to that which exists between the duties of the Common Customs Tariff and the duties given in Annex A to this Regulation; whereas, with a view to granting Malta the best possible treatment, in accordance with the objectives of the preference scheme, the duties given in Annex A should also be applied wherever the duties calculated according to the abovementioned detailed rules prove to be higher than them,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January until 31 December 1976, the products originating in Malta listed in Annex A shall be admitted for import into the Community as originally constituted at the customs duties indicated for each of them.

On importation into Denmark, Ireland and the United Kingdom, there shall be applied to the abovementioned products the customs duties determined by multiplying, by a coefficient equal to the margin of preferences existing between the duties given in Annex A and the Common Customs Tariff duties applicable, the duties obtained by reducing the difference between the lowest duty applied on 1 January 1972 to the developing countries and the Common Customs Tariff, by 60 % in respect of the products mentioned in Annex B, and by 80 % in respect of the other products given in Annex A.

However, the duties given in Annex A shall be applied where the duties resulting from the abovementioned calculation are higher than them.

(1) OJ No L 141, 12. 6. 1969, p. 1.
(2) OJ No L 151, 7. 6. 1973, p. 1.
(3) OJ No C 280, 8. 12. 1975, p. 68.
(4) OJ No L 61, 14. 3. 1971, p. 3.

2. For the purposes of the application of this Regulation, the rules of origin shall be those in force at the time as regards the implementation of the Agreement establishing an association between the European Economic Community and Malta.

However, Article 1 (2) (b), last sentence, of the Protocol relating to the definition of the concept of 'originating' products and to methods of administrative cooperation, shall not apply in the case of products obtained in Malta from :

— products originating in one or more Member States of the Community as originally constituted and exported to one or more new Member States, or

— products originating in one or more new Member States and exported to one or more Member States of the Community as originally constituted,

provided that the products referred to in the two indents above have undergone only the insufficient working or processing listed in items 1 to 6 of List A annexed to the abovementioned Protocol.

Article 2

When products benefiting from the arrangements provided for in Article 1 are imported in the Community in such quantities or at such prices that Community producers of products similar to or in direct competition with them suffer, or are likely to suffer from serious disadvantage, the Common Customs Tariff duties may be reintroduced in whole or in part on the products in question. Such measures may also be taken in the event of actual or potential serious disadvantage in a single region of the Community.

Article 3

1. In order to ensure the application of Article 2, the Commission may decide, by means of a Regulation, to reintroduce the levying of customs duties for a limited period.

2. In the event of such action being requested by a Member State, the Commission shall take a decision within a period of not more than 10 working days from receipt of the request and shall inform the Member States of the action taken.

3. Any Member State may refer to the Council the measure taken by the Commission, within a period of not more than 10 working days after it has been informed thereof. The fact that the matter is referred to the Council shall not cause the measure to be suspended. The Council shall meet immediately. It may, acting on a qualified majority, amend or rescind the measure in question.

Article 4

This Regulation shall enter into force on 1 January 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 3 December 1975.

For the Council

The President

F. FABBRI
