REGULATION (EEC) No 3282/75 OF THE COUNCIL

of 16 December 1975

on the systems of authorization for imports into the Federal Republic of Germany, the Benelux countries and France in 1976 and 1977 of synthetic socks originating in Taiwan

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1439/74 (1) of 4 June 1974 on common rules for imports, and in particular Article 13 thereof;

After consultation within the Advisory Committee set up under Article 5 of that Regulation;

Having regard to the proposal from the Commission;

Whereas, by Regulation (EEC) No 1413/75 (2), the Commission established a system of authorizations for imports into the Federal Republic of Germany and the Benelux countries of synthetic socks originating in Taiwan; whereas, by Regulation (EEC) No 1782/75 (3), the Council maintained that system in effect and, by Regulation (EEC) No 3045/75 (4), the Commission extended it until 31 December 1975;

Whereas, by Regulation (EEC) No 2930/75 (5), the Commission established interim protective measures with regard to imports of those products into France, and whereas, by Regulation (EEC) No 3281/75 (6), the Council provisionally maintained these measures;

Whereas the grounds for establishing these systems are still valid, and whereas rules for their application should therefore be adopted until 31 December 1977, the expiry date fixed by Regulation (EEC) No 1783/75 (7) for rules for imports of certain textile products originating in Taiwan,

HAS ADOPTED THIS REGULATION:
