of 23 December 1975

fixing for the 1976 fishing year withdrawal prices for the fishery products listed in Annex I (A) and (C) to Regulation (EEC) No 2142/70 and for certain products landed in areas very distant from the main areas of consumption in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2142/70 (1) of 20 October 1970 on the common organization of the market in fishery products, as last amended by Regulation (EEC) No 1182/75 (2), and in particular Article 10 (5) thereof;

Whereas the first subparagraph of Article 10 (4) of Regulation (EEC) No 2142/70 provides that the withdrawal price for each of the products listed in Annex I (A) and (C) to that Regulation is to be fixed by applying to an amount equal to not less than 60 % but not more than 90 % of the guide price the conversion factor for the category immediately below that selected for fixing the guide price;

Whereas guide prices for all the relevant products have been fixed for the 1976 fishing year by Council Regulation (EEC) No 3305/75 (3) of 16 December 1975;

Whereas rules for calculating withdrawal prices, in particular the percentage of the guide price to be used, the coefficients for varying them according to commercial characteristics, and the supplementary coefficients applicable in distant landing areas, were laid down by Commission Regulation (EEC) No 3559/73 (4) of 21 December 1973, as last amended by Regulation (EEC) No 3371/75 (5);

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Fishery Products,
