REGULATION (EEC) No 463/75 OF THE COUNCIL

of 27 February 1975

fixing, for the 1975/76 marketing year, the guide prices for calves and adult bovine animals and the intervention price for bovine animals

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to Council Regulation (EEC) No 805/68 [1] of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 [2], and in particular Article 3 (4) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Having regard to the Opinion of the Economic and Social Committee;

Whereas in fixing the guide prices for calves and adult bovine animals, account should be taken of the objectives of the common agricultural policy and of the contribution which the Community desires to make to the harmonious development of world trade; whereas the objectives of the common agricultural policy are in particular to secure an equitable standard of living for the agricultural community and ensure that supplies are available and that they reach consumers at reasonable prices;

Whereas the guide prices must be fixed in accordance with the criteria laid down in Article 3 (2) of Regulation (EEC) No 805/68;

Whereas, for the 1975/76 marketing year, guide prices should be fixed at a level appreciably above that for the previous marketing year;

Whereas, however, in view of the current economic situation in the beef and veal market it would seem necessary to make provision, in respect of the 1975/76 marketing year, for an intervention price for adult bovine animals fixed at a level below that which would result from the increase of the guide price;

Whereas Article 52 (2) of the Act of Accession [3] provides for annual alignment at the beginning of the marketing year of the prices applied in the new Member States; whereas this provision applies, in respect of beef and veal, to the guide prices for calves and adult bovine animals by virtue of Article 90 of the Act of Accession,

HAS ADOPTED THIS REGULATION:
