REGULATION (EEC) No 490/75 OF THE COMMISSION

of 27 February 1975

supplementing Article 16 (2) of Regulation (EEC) No 1463/73 laying down detailed rules for the application of monetary compensatory amounts

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 974/71 (1) of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 3259/74 (2), and in particular Article 6 thereof;

Whereas Article 16 of Regulation (EEC) No 1463/73 (3) of 30 May 1973, as last amended by Regulation (EEC) No 456/75 (4), introduced special arrangements for imports from third countries which are conditional on a minimum price being observed; whereas these arrangements, which involve the application of a fixed amount, cannot have the desired effects unless that amount as determined pursuant to paragraph 2 of that Article is approximately equal to the compensatory amount; whereas with respect to eggs, poultrymeat, albumins and wine the present arrangements do not produce this result;

Whereas the Management Committees for Poultrymeat and Eggs and for Wine have not delivered an opinion within the time limits set by their respective Chairmen,

HAS ADOPTED THIS REGULATION:

Sole Article

The following subparagraph is added to Article 16 (2) of Regulation (EEC) No 1463/73:

'However, in the case of eggs, poultrymeat, albumins and wine and wine products, the amount referred to in paragraph 1 shall be the monetary compensatory amount applicable in trade within the Community'.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 27 February 1975.
