# REGULATION (EEC) No 530/75 OF THE COMMISSION

## of 28 February 1975

## fixing the adjustments to be made to refunds fixed in advance for milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 (1) of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 465/75 (2), and in particular Article 17 (4) thereof;

Whereas, under the third subparagraph of Article 5 (3) of Council Regulation (EEC) No 876/68 (3) of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds, as last amended by Regulation (EEC) No 2429/72 (4), refunds fixed in advance may be adjusted where there is a change in the intervention prices and in the amount of certain aids;

Whereas Council Regulation (EEC) No 469/75 (5) of 27 February 1975, fixed the new intervention prices applicable in respect of milk and milk products for the milk marketing year 1975/76; whereas the effect of the new prices on the level of market prices is such that a general adjustment of refunds fixed in advance seems justified;

Whereas, in accordance with the fifth subparagraph of Article 5 (2) of Council Regulation (EEC) No 2682/72 (6) of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds, refunds fixed in advance for the products specified in Annex A to the said Regulation are to be adjusted in accordance with rules identical to those applicable in the case of refunds fixed in advance for the relevant basic products exported in their natural state; whereas it is therefore appropriate to provide that refunds fixed in advance for the said products before 3 March 1975 may also be adjusted;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

*Article 1*

1. Refunds fixed in advance before 3 March 1975 in respect of products as specified in Annexes I and II hereof exported on or after that date shall at the request of the party concerned be adjusted by the amounts fixed in those Annexes.

2. The day to be taken into account in determining:

— the date of advance fixing, shall be the day within the meaning of Article 6 (1) of Regulation (EEC) No 193/75 (7) on which the application for the export licence was lodged;

— the date of exportation, shall be the day on which customs formalities as referred to in Article 9 (3) (b) of Regulation (EEC) No 193/75 are completed.

*Article 2*

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 3 March 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 February 1975.

(1) The weight of added non-lactic matter and lactose should be disregarded for the purpose of calculating fat content. The refund on 100 kg of product falling within this subheading is equal to the sum of the following components:
(a) the amount per kg shown, multiplied by the weight of milk and cream contained in 100 kg of product;
(b) a component established in application of the provisions of Regulation (EEC) No 766/68.

(2) The refund on 100 kg of product falling within this subheading is equal to the sum of the following components:
(a) the amount per 100 kg shown; and
(b) a component established in application of the provisions of Regulation (EEC) No 766/68.

The weight of non-milk fat should be disregarded for the purposes of calculating fat content.
