REGULATION (EEC) No 531/75 OF THE COMMISSION

of 28 February 1975

fixing the accession compensatory amounts applicable to milk and milk products from the beginning of the 1975/76 milk year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty [1] concerning the accession of new Member States to the European Economic Community and to the European Atomic Energy Community, signed at Brussels, on 22 January 1972;

Having regard to Council Regulation (EEC) No 233/73 [2] of 31 January 1975 laying down general rules for the system of compensatory amounts for milk and milk products, and in particular Articles 2 (3) and 6 thereof;

Whereas, in so far as under Article 52 of the Act of Accession [3] the prices of butter valid for the period 3 March to 15 September 1975 in the new Member States have been fixed at levels differing from the common intervention price, these difficulties must be offset in accordance with Article 55 (2) of the Act by the application of compensatory amounts;

Whereas, in fixing the compensatory amounts applicable to other dairy products with effect from the third alignment, account is to be taken, in accordance with the second subparagraph of Article 86 (1) of the Act, of the amounts applicable before this third alignment and of the rules for the alignment of prices laid down in Article 52 of the Act; whereas, however, for products falling within CCT heading No 04.01 for which the compensatory amount applicable until the third alignment has been fixed in accordance with Article 87 (1), first subparagraph, this compensatory amount must be reduced in accordance with the second subparagraph of that paragraph;

Whereas for the purposes of application of the new compensatory amounts, the general rules established by Regulation (EEC) No 233/73 and the detailed rules of application provided for by Commission Regulation (EEC) No 480/73 [4] of 31 January 1973 on detailed rules for the application of compensatory amounts for milk and milk products, as last amended by Regulation (EEC) No 2889/73 [5], will continue to apply;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The compensatory amounts applicable during the period 3 March to 15 September 1975 to the products specified in Article 1 of Regulation (EEC) No 804/68 in respect of trade between on the one side the original Community and Denmark and on the other side, the other new Member States, in respect of trade between those new Member States and in respect of trade between the latter and third countries shall be as shown in the Annex hereto.

Article 2

This Regulation shall enter into force on 3 March 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 February 1975.
