REGULATION (EEC) No 784/75 OF THE COMMISSION

of 26 March 1975

on an invitation to tender for the levy and/or the refund for the export of husked long grain rice to third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC [1] of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 476/75 [2];

Having regard to Council Regulation (EEC) No 2737/73 [3] of 8 October 1973 laying down general rules to be applied in the event of the rice market being disturbed, as last amended by Regulation (EEC) No 477/75 [4], and in particular Article 4 (2) thereof;

Having regard to Council Regulation No 366/67/EEC [5] of 25 July 1967 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds, as last amended by Regulation (EEC) No 478/75 [6], and in particular Article 3a thereof;

Whereas, having regard to the current situation on the rice market, there should be opened in respect of husked long grain rice an invitation to tender for the export levy provided for in the first indent of Article 2 (1) of Regulation (EEC) No 2737/73 and for the export refund provided for in Article 3a of Regulation No 366/67/EEC;

Whereas the detailed rules governing invitations to tender are as regards the export levy contained in Commission Regulation (EEC) No 3197/73 [7] of 23 November 1973 establishing the conditions for the application of the system of tendering for export levies on rice, as last amended by Regulation (EEC) No 583/75 [8], and as regards the export refund in Commission Regulation (EEC) No 584/75 [9] of 6 March 1975 laying down detailed rules for the application of the system of tendering for export refunds on rice;

Whereas the objective of the tendering procedure can be attained only if every successful tenderer fulfils all the commitments entered into by him when submitting his tender; whereas these commitments include an obligation to lodge an application for an export licence; whereas compliance with this obligation may be ensured by requiring the tenderer to give security when submitting his tender;

Whereas, in order to ensure equal treatment to all concerned, it is necessary to make provision such that the effective period of validity of licences issued to successful tenderers in connection with the invitation to tender is identical;

Whereas provision must be made to ensure the smooth operation of the procedure for tendering for export levies and refunds; whereas to this end it is appropriate to prescribe a minimum quantity to be tendered for and a time limit and form for the communication of tenders submitted to the competent authorities;

Whereas the second subparagraph of Article 1 (1) of respectively Commission Regulations (EEC) No 3197/73 and (EEC) No 584/75 provides that invitations to tender for the export levy and/or refund shall be open on equal terms to all persons established within the Community; whereas by reason of the differing monetary circumstances in the various Member States, the satisfaction of this condition cannot be ensured by the application of the exchange rates applicable for the purposes of the common agricultural policy, since monetary compensatory amounts do not apply in the rice sector; whereas it is therefore advisable to make provision for the effects of the monetary situation to be taken into account in respect of each tender;

Whereas the Monetary Committee will be consulted;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
