REGULATION (EEC) No 836/75 OF THE COMMISSION

of 26 March 1975

amending Commission Regulations (EEC) No 3348/73 and (EEC) No 3206/74 as regards detailed rules for the application of the charges on the exportation of certain goods covered by Regulation (EEC) No 1059/69

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1059/69 (1) of 28 May 1969 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products, as last amended by Council Regulation (EEC) No 1491/73 (2), and in particular Article 9a thereof;

Having regard to Council Regulation (EEC) No 3185/74 (3) of 17 December 1974 introducing an export charge on certain goods covered by Regulation (EEC) No 1059/69, and in particular Article 2 (1) thereof;

Whereas Commission Regulation (EEC) No 3348/73 (4) of 12 December 1973 concerning the levying of a charge on the exportation of certain goods covered by Regulation (EEC) No 1059/69, as last amended by Regulation (EEC) No 404/75 (5), contains detailed rules for the application of that charge; whereas the same is the case with Commission Regulation (EEC) No 3206/74 (6) of 18 December 1974 laying down detailed rules for the application of a charge on the exportation of certain goods covered by Regulation (EEC) No 1059/69;

Whereas Commission Regulation (EEC) No 645/75 (7) of 13 March 1975 laying down common detailed rules for the application of the export levies and charges on agricultural products has the objective, in a concern for sound administration, of bringing the implementation of the charges or levies applicable on the exportation of agricultural products under a single set of rules designed to replace the various sets of rules applicable at present; whereas, with the same concern in mind, it would be advisable to extend the field of application of that Regulation to the goods covered by Regulation (EEC) No 1059/69 and to repeal the provisions at present in force in the matter;

Whereas, with a view to the uniform treatment of products covered by the different sectors, it is proper that the amount of the charge provided for by Regulation (EEC) No 3348/73 should be determined henceforth by reference to the sucrose content of the goods in question;

Whereas the Member States have been consulted on the measures provided for in this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

Articles 1 to 3 of Regulation (EEC) No 3348/73 are replaced by Articles 1 and 2 as follows:

The rate of this charge per 100 kg of sucrose, including invert sugar expressed as sucrose, contained in the goods shall be equal to the rate, applicable per 100 kg of white sugar of heading No 17.01 of the Common Customs Tariff, of the special levy fixed by virtue of Article 16 of Regulation No 1009/67/EEC and of the provisions adopted pursuant to that Article.

Article 2

The provisions of Articles 2 to 9 of Regulation (EEC) No 645/75 shall apply *mutatis mutandis* to the goods referred to in Article 1.'

Article 2

Articles 2 to 5 of Regulation (EEC) No 3206/74 are replaced by an Article 2 as follows:

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall apply to transactions in respect of which customs export formalities are completed on or after 31 March 1975.
