REGULATION (EEC) No 887/75 OF THE COMMISSION

of 4 April 1975

altering the standard values fixed in Regulation (EEC) No 3325/74 for certain fishery products withdrawn from the market

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation (EEC) No 2142/70 (1) of 20 October 1970 on the common organization of the market in fishery products, as last amended by Regulation (EEC) No 2682/74 (2), and in particular Article 10 (5) thereof ;

Whereas Commission Regulation (EEC) No 3325/74 (3) of 20 December 1974 fixing the standard values to be used in calculating financial compensation in respect of fishery products withdrawn from the market during the 1975 fishing year fixed those values for the 1975 fishing year ;

Whereas the second subparagraph of Article 10 (3) of Regulation (EEC) No 2142/70 provides that the standard values are to be changed if major and lasting price variations are recorded on Community markets ;

Whereas since the standard values were last fixed the prices of certain products withdrawn from the market and intended for uses other than human consumption have undergone a major variation which may be expected to last for some time ; whereas the relevant standard values should therefore be altered ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Fishery Products,
