REGULATION (EEC) No 964/75 OF THE COMMISSION

of 11 April 1975

specifying the varieties of *Lolium perenne* L. to be regarded as 'late', 'medium-late' and 'early'

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2358/71 (1) of 26 October 1971 on the common organization of the market in seeds, as last amended by Regulation (EEC) No 671/75 (2), and in particular Article 3 (5) thereof;

Whereas in the Annex to Council Regulation (EEC) No 672/75 (3) of 4 March 1975 fixing the amounts of aid granted for seeds for the 1975/76 marketing year, the amount of such aid was fixed at different levels for respectively *Lolium perenne* L. (late), *Lolium perenne* L. (medium-late) and *Lolium perenne* L. (early);

Whereas, in order to ensure uniform application throughout the Community of the procedures for granting aid, it is necessary to define the late, medium-late and early varieties of *Lolium perenne* L;

Whereas, for the reasons given above, Commission Regulation (EEC) No 737/73 (4) of 14 March 1973 fixing the new list of late varieties of *Lolium perenne* L., should be repealed;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Seeds,
