COMMISSION REGULATION (EEC) No 1016/76

of 30 April 1976

altering components used to calculate the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats (1), as last amended by Regulation (EEC) No 1707/73 (2),

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed (3), as last amended by Regulation (EEC) No 3477/73 (4), and in particular Article 3 thereof;

Whereas Commission Regulation (EEC) No 2300/73 of 23 August 1973 (5), as last amended by Regulation (EEC) No 632/75 (6), laid down detailed rules of application for Regulation (EEC) No 1569/72; whereas the components used to calculate the differential amounts were fixed by Regulation (EEC) No 654/76 (7), as last amended by Regulation (EEC) No 881/76 (8); whereas for the Italian lira a new rate of exchange to be applied in agriculture as from 3 May 1976 has been fixed by Council Regulation (EEC) No 1020/76 of 29 April 1976 (9); whereas in the case of the pound sterling and the Irish pound, the difference referred to in Article 2 (1) of Regulation (EEC) No 1569/72 for the period 21 to 27 April 1976 has changed, by reference to the representative rate valid from 3 May 1976, by at least one point from the percentage used for the previous fixing; whereas this fact should be taken into account when fixing the components used to calculate the differential amounts for colza and rape seed,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to amended Regulation (EEC) No 654/76 is hereby replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 3 May 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 April 1976.

For the Commission

P. J. LARDINOIS
