COMMISSION REGULATION (EEC) No 1018/76

of 30 April 1976

amending Regulations (EEC) No 1896/73 and (EEC) No 582/76 as regards the products which may be bought into intervention in Germany and in the United Kingdom and the coefficients for Belgium in the beef sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by Regulation (EEC) No 568/76 (2), and in particular Article 6 (5) (c) and (d),

Whereas buying in prices for intervention in the beef sector applicable from 15 March 1976 were fixed by Commission Regulation (EEC) No 582/76 of 15 March 1976 (3);

Whereas the coefficients referred to in Article 6 (1) of Regulation (EEC) No 805/68 were laid down by Commission Regulation (EEC) No 1896/73 of 13 July 1973 on the detailed rules for the application of intervention measures on the market in beef and veal (4), as last amended by Regulation (EEC) No 581/76 (5);

Whereas according to Article 1 of Council Regulation (EEC) No 1302/73 of 15 May 1973 laying down general rules for intervention on the market in beef and veal (6), as amended by Regulation (EEC) No 1729/74 (7), the qualities and cuts of products to be bought in by intervention agencies shall be determined with a view, both to the need to give effective support to the market and to ensure the balance between the beef market and the market in competing livestock products and also to the Community's financial responsibilities in this matter;

Whereas, if these criteria are supplied in the present beef market situation, certain products may be temporarily withdrawn from the list of products which may be bought to intervention in the Federal Republic of Germany and in the United Kingdom;

Whereas Article 3 of Regulation (EEC) No 1302/73 provides that the coefficients referred to in Article 6 of Regulation (EEC) No 805/68 are to be determined with reference to the prices recorded in accordance with Article 10 (5) of that Regulation and to a normal market situation over the most representative periods and also to foreseeable price trends during the new marketing year; whereas, taking recent price trends into account, the coefficient for 'bœufs 55 %' contained in the list of coefficients for Belgium should be changed to that for 'taureaux 55 %';

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EEC) No 1896/73 is hereby replaced by Annex I to this Regulation.

Article 2

The Annex to Regulation (EEC) No 582/76 is hereby replaced by Annex II to this Regulation.

Article 3

This Regulation shall enter into force on 3 May 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 April 1976.
