COUNCIL REGULATION (EEC) No 1144/76

of 17 May 1976

on the list of Community regions receiving aid for durum wheat and fixing the amount of such aid

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals [1], as last amended by Regulation (EEC) No 1143/76 [2], and in particular Article 10 (2) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament [3],

Whereas, although provision should be made for maintaining durum wheat production at its present level, it is necessary to reduce the incentive to produce that cereal in high-yield areas whilst maintaining the income levels of producers in low-yield areas;

Whereas a list should be drawn up of the Community regions receiving aid whilst differentiating between them on the basis of their yield; whereas, moreover, this list should include those Community regions which are less favoured owing to natural production circumstances;

Whereas, for the 1976/77 marketing year, an amount of aid should be fixed which varies according to the production region concerned, so that account can be taken of its special situation,

HAS ADOPTED THIS REGULATION:

Article 1

The aid for durum wheat referred to in Article 10 of Regulation (EEC) No 2727/75 shall be granted in the Community regions listed in the Annexes.

Article 2

For the 1976/77 marketing year, the aid referred to in Article 1 shall be fixed at:

— 50 units of account per hectare in the regions listed in Annex A,

— 21 units of account per hectare in the regions listed in Annex B.

Article 3

This Regulation shall enter into force on 1 August 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 17 May 1976.

For the Council

The President

J. HAMILIUS
