COMMISSION REGULATION (EEC) No 1158/76

of 18 May 1976

terminating private storage aid for table wine of type R III

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 816/70 of 28 April 1970 laying down additional provisions for the common organization of the market in wine [1], as last amended by Regulation (EEC) No 1932/75 [2], and in particular the first subparagraph of Article 5 (7) thereof;

Whereas Article 5 (3) of that Regulation stipulates that private storage aid is to be granted until at all the marketing centres the average price for the type of wine in question is equal to or higher than the activating price for two consecutive weeks;

Whereas Commission Regulation (EEC) No 3011/73 of 6 November 1973 concerning the private storage subsidy for the R III type of table wine [3], provides for the granting of private storage aid from 7 November 1973 for table wine of type R III;

Whereas for this type of wine it is apparent from the prices fixed in the last two weeks that this price is higher than the activating level;

Whereas, therefore, the conclusion of storage contracts for wine of type R III should be terminated,

HAS ADOPTED THIS REGULATION:

Article 1

No further private storage contracts shall be concluded for table wine of type R III after 19 May 1976.

Article 2

This Regulation shall enter into force on 19 May 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 18 May 1976.
