Whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries once the relevant Community maximum amount has been reached ;

Whereas, in respect of other outer garments and clothing accessories, etc., of cotton, falling within subheadings 60.05 A ex II ex B, the ceiling, calculated as indicated above, should be 166 metric tons, and therefore the maximum amount is 49·80 metric tons ; whereas on 17 May 1976 the amounts of imports into the Community of other outer garments and clothing accessories, etc., of cotton, falling within subheadings 60.05 A ex II ex B, originating in Singapore, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 3002/75, which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Singapore,
