COMMISSION REGULATION (EEC) No 1362/76

of 14 June 1976

relating to use of the tendering procedure for fixing levies on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 601/76 of 15 March 1976 laying down special measures in particular for the determination of the offers of olive oil on the world market (1),

Having regard to Council Regulation (EEC) No 602/76 of 15 March 1976 laying down special measures in particular for the determination of the offers of olive oil on the Greek market (2),

Having regard to Regulation (EEC) No 1046/76 of 4 May 1976 on detailed rules for the implementation of the special measures for the determination of offers of olive oil on the world market and the Greek market (3), and in particular Article 1 thereof,

Whereas there is at present a lack of transparency on the world market and on the Greek market in olive oil which prevents the Commission from observing with any precision the real trend of those markets and, consequently, from fixing the import levies correctly ; whereas, since the conditions laid down in Article 2 of Regulations (EEC) No 601/76 and (EEC) No 602/76 are fulfilled, the levies in question should without delay be fixed by tendering procedure,

HAS ADOPTED THIS REGULATION :

Article 1

The levies on imports from non-member countries and from Greece of the products listed in the Annex shall be determined by tendering procedure.

Article 2

1. The minimum levies shall be fixed for the first time so that they enter into force on 1 July 1976.

2. From 16 June 1976 applications for licences shall be lodged by those concerned with the competent agencies, in accordance with Regulation (EEC) No 1046/76.

Article 3

This Regulation shall enter into force on 15 June 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
