COMMISSION REGULATION (EEC) No 1403/76

of 17 June 1976

fixing the free-at-frontier reference price applicable to imports of wine

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2506/75 of 29 September 1975 laying down special rules for the importation of products in the wine-growing sector originating in certain third countries [1], as amended by Regulation (EEC) No 1166/76 [2], and in particular Articles 5 (2) and 5a thereof,

Whereas Regulation (EEC) No 2506/75 lays down special rules for the importation of certain products in the wine-growing sector ; whereas Commission Regulation (EEC) No 1393/76 of 17 June 1976 [3], provides for the detailed rules thereof ; whereas Article 5 (2) of Regulation (EEC) No 2506/75 lays down that the Commission is to fix the free-at-frontier reference prices ;

Whereas the list of free-at-frontier reference prices should be drawn up by reference in particular to the requirements of trade and with a view to administrative simplicity ;

Whereas Article 1 of Regulation (EEC) No 2506/75 provides that the free-at-frontier reference prices are to be equal to the reference price less customs duties actually levied ; whereas it is necessary to specify that the amounts or coefficients resulting from the system of monetary compensatory amounts shall not be taken into consideration in estimating the customs duty which is to be deducted from the reference price ;

Whereas the new Member States will continue to apply customs duties at special rates until 1 July 1977 ; whereas the effect of this system is that until that date these Member States will apply free-at-frontier reference prices that differ from those applicable in the other Member States ; whereas in view of this special situation provision should be made for such transitional measures as will ensure that the system instituted by Regulation (EEC) No 2506/75 can be applied in the new Member States as soon as it becomes effective without undue difficulty ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION :

Article 1

1. The free-at-frontier reference price referred to in Article 5 (2) of Regulation (EEC) No 2506/75 shall be fixed, in respect of wines imported into the Community as originally constituted, in accordance with the Annex.

2. In respect of imports by the new Member States, the free-at-frontier reference price to be in accordance with the criteria used in the Annex shall for each importation be equal to the reference price less :

— in the case of wine originating in third countries granted preferential tariff concessions, the customs duties actually applicable in accordance with such agreements ;

— in the case of other wine, the customs duties actually applied pursuant to Article 59 (2) of the Act of Accession.

Article 2

This Regulation shall enter into force on 1 July 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 17 June 1976.
