COUNCIL REGULATION (EEC) No 1429/76

of 21 June 1976

determining for the 1975/76 marketing year the threshold prices for husked rice and broken rice and the protective amount to be included in the threshold price for wholly milled rice

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice [1], and in particular Articles 14 (4) and 15 (3) thereof,

Having regard to the proposal from the Commission,

Whereas Article 14 (2) of Regulation (EEC) No 1418/76 provides that the threshold price for husked rice must be fixed in such a way that the selling price of imported husked rice on the Duisburg market corresponds to the target price; whereas this object can be attained by deducting from the target price certain standard costs, in particular transhipment costs and transport costs between Rotterdam and Duisburg, which are usually incurred when the products are imported;

Whereas Article 15 (1) of Regulation (EEC) No 1418/76 provides that the threshold price for broken rice must be fixed between a lower and an upper limit calculated in relation to the threshold price for maize; whereas, in view of that relationship and of the need to import broken rice in order to ensure supplies for the Community, that threshold price should be fixed at a level corresponding in round figures to the lower limit;

Whereas Article 14 (3) of Regulation (EEC) No 1418/76 provides that the threshold prices for wholly milled rice are to be derived from the threshold prices for husked rice to which an amount for the protection of the industry is to be added; whereas, in view of the situation of the Community rice industry, this amount should be increased for the 1975/76 marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

This Regulation shall apply during the 1975/76 rice marketing year.

Article 2

The threshold price for round grain husked rice shall be 257·2 units of account per metric ton.

Article 3

The threshold price for broken rice shall be 160·45 units of account per metric ton.

Article 4

The amount to be included in the threshold price for wholly milled rice for the protection of the industry shall be 11·5 units of account per metric ton.

Article 5

1. Council Regulation (EEC) No 1892/75 of 22 July 1975 determining for the 1975/76 marketing year the threshold prices for husked rice and broken rice and the protective amount to be included in the threshold price for wholly milled rice [2] is hereby repealed.

2. Reference to the Regulation repealed by paragraph 1 shall be construed as references to this Regulation.

Article 6

This Regulation shall enter into force on 1 July 1976.
