# COMMISSION REGULATION (EEC) No 1445/76 of 22 June 1976 specifying the different varieties of Lolium perenne L.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds ([1]), as last amended by Regulation (EEC) No 671/75 ([2]), and in particular Article 3 (5) thereof,

Whereas in Annex VIII to Council Regulation (EEC) No 833/76 of 6 April 1976 fixing certain prices and other amounts applicable in agriculture for the 1976/77 marketing year ([3]), the amount of aid for seeds was fixed at different levels for Lolium perenne L. of high persistence, late or medium late, for Lolium perenne L. of low persistence, medium late, medium early or early, and for the new and other varieties of Lolium perenne L.;

Whereas in order to ensure uniform application throughout the Community of the procedures for granting aid, the different varieties of Lolium perenne L. must be defined and the list of the varieties of high persistence, late or medium late and of these varieties of low persistence, medium late, medium early or early, must be established;

Whereas it is therefore necessary to repeal Commission Regulation (EEC) No 964/75 of 11 April 1975 specifying the varieties of Lolium perenne L. to be regarded as 'late', 'medium late', and 'early' ([4]);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Seeds,

HAS ADOPTED THIS REGULATION:

([1]) OJ No L 246, 5. 11. 1971, p. 1.
([2]) OJ No L 72, 20. 3. 1975, p. 21.
([3]) OJ No L 100, 14. 4. 1976, p. 24.
([4]) OJ No L 93, 15. 4. 1975, p. 10.

1445/76

*Article 1*

*Article 2*

Regulation (EEC) No 964/75 is hereby repealed.
