COMMISSION REGULATION (EEC) No 1445/76

of 22 June 1976

specifying the different varieties of Lolium perenne L.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds [1], as last amended by Regulation (EEC) No 671/75 [2], and in particular Article 3 (5) thereof,

Whereas in Annex VIII to Council Regulation (EEC) No 833/76 of 6 April 1976 fixing certain prices and other amounts applicable in agriculture for the 1976/77 marketing year [3], the amount of aid for seeds was fixed at different levels for Lolium perenne L. of high persistence, late or medium late, for Lolium perenne L. of low persistence, medium late, medium early or early, and for the new and other varieties of Lolium perenne L.;

Whereas in order to ensure uniform application throughout the Community of the procedures for granting aid, the different varieties of Lolium perenne L. must be defined and the list of the varieties of high persistence, late or medium late and of these varieties of low persistence, medium late, medium early or early, must be established;

Whereas it is therefore necessary to repeal Commission Regulation (EEC) No 964/75 of 11 April 1975 specifying the varieties of Lolium perenne L. to be regarded as 'late', 'medium late', and 'early' [4];

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Seeds,

HAS ADOPTED THIS REGULATION:

Article 1

Varieties of Lolium perenne L. shall, within the meaning of the provisions adopted in implementation of Article 3 of Regulation (EEC) No 2358/71, be classified as 'of high persistence, late or medium late', and as 'of low persistence, medium late, medium early or early', by reference to the lists set out in the Annexes to this Regulation.

Article 2

Regulation (EEC) No 964/75 is hereby repealed.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 June 1976.

For the Commission

P. J. LARDINOIS

Member of the Commission

ANNEX I — ANHANG I — BIJLAGE I — ALLEGATO I — BILAG I — ANNEXE I

Varieties of high persistence, late or medium late
Sorten mit hoher Persistenz, späte oder mittelspäte
Zeer standvastige rassen, late of halflate
Varietà ad alta persistenza, tardiva o semi-tardiva
Sorter med høj persistens, sildige eller halvsildige
Variétés à haute persistance, tardives ou mi-tardives

ANNEX II — ANHANG II — BIJLAGE II — ALLEGATO II — BILAG II — ANNEXE II

Varieties of low persistence, medium late, medium early or early
Sorten mit geringer Persistenz, mittelspäte, mittelfrühe oder frühe
Weinig standvastige rassen, halflate, halfvroege of vroege
Varietà a bassa persistenza, semi-tardiva, semi-precoce o precoce
Sorter med lav persistens, halvsildige, halvtidlige eller tidlige
Variétés à basse persistance, mi-tardives, mi-précoces ou précoces
