COMMISSION REGULATION (EEC) No 1446/76

of 22 June 1976

on the repetition of an invitation to tender for the supply of butteroil as food aid to the Hashemite Kingdom of Jordan

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 559/76 (2), and in particular Article 6 (7) thereof,

Whereas Council Regulation (EEC) No 695/76 of 25 March 1976 on the supply of milk fats to certain developing countries and international organizations under the 1976 food-aid programme (3), provides *inter alia* for the supply to the Hashemite Kingdom of Jordan of 1 000 metric tons of butteroil obtained from butter held by intervention agencies; whereas this country has requested the supply of the abovementioned quantity;

Whereas Article 5 of Council Regulation (EEC) No 694/76 of 25 March 1976 laying down general rules for the supply of milk fats to certain developing countries and international organizations under the 1976 food-aid programme (4), requires tenders to be invited for such supplies; whereas Commission Regulation (EEC) No 1222/76 of 24 May 1976 (5) provided for an invitation to tender which had to be cancelled; whereas, a new invitation to tender should therefore be made;

Whereas the tendering procedure is effected following the provisions of Commission Regulation (EEC) No 2247/75 of 29 August 1975 concerning invitations to tender for the costs of manufacture and delivery of butteroil as food aid to certain developing countries and to the World Food Programme (6), as amended by Regulation (EEC) No 578/76 (7); whereas, it is still necessary to add a number of details, particularly as regards the time limit for the submission of tenders and the terms of supply;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
