COMMISSION REGULATION (EEC) No 148/76
of 23 January 1976
fixing the sluice-gate prices and levies for poultrymeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2777/75 of 29 October 1975 on the common organization of the market in poultrymeat [1], and in particular Article 3 and 7 (1) thereof,

Whereas the sluice-gate and levies for the products specified in Article 1 (1) of Regulation (EEC) No 2777/75 must be fixed quarterly in advance in accordance with the methods of calculation laid down in Commission Regulation (EEC) No 1880/75 of 23 July 1975 fixing the sluice-gate prices and levies for poultrymeat [2];

Whereas, since sluice-gate prices and levies for poultrymeat were by Regulation (EEC) No 2664/75 [3] last fixed for the period 1 November 1975 to 31 January 1976, they must be fixed anew for the period 1 February to 30 April 1976; whereas such prices and levies should in principle be calculated by reference to feed grain prices for the period 1 May to 31 October 1975;

Whereas, when the sluice-gate prices applicable from 1 November, 1 February and 1 May are being fixed, changes in world market prices for feed grain are to be taken into account only if the price of the quantity of feed grain required varies by at least a specified minimum in relation to that used to calculate the sluice-gate price for the preceding quarter; whereas, by Council Regulation (EEC) No 2778/75 of 29 October 1975 laying down rules for calculating the levy and the sluice-gate price for poultrymeat [4]; this minimum was set at 3 %;

Whereas the price of the quantity of feed grain required varies by more than 3 % from that used for the preceding quarter; whereas this variation must accordingly be taken into account in fixing sluice-gate prices for the period 1 February to 30 April 1976;

Whereas, when the levies applicable from 1 November, 1 February and 1 May are being fixed, changes in world market prices for feed grain are to be taken into account only if at the same a new sluice-gate price is fixed;

Whereas, since a new sluice-gate price is to be fixed, changes in world market prices for feed grain must be taken into account in fixing the levies;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

1. The levies provided for in Article 3 of Regulation (EEC) No 2777/75 in respect of the products specified in Article 1 (1) of that Regulation and the sluice-gate prices provided for in Article 7 thereof in respect of the like products shall be as shown in the Annex hereto.

2. Provided that in the case of products falling within heading No 02.03 and within subheading 15.01 B or 16.02 B I of the Common Customs Tariff in respect of which the rate of duty has been bound within GATT, the levy shall not exceed the amount resulting from that binding.

Article 2

This Regulation shall enter into force on 1 February 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 January 1976.
