COMMISSION REGULATION (EEC) No 1789/76

of 23 July 1976

amending Regulations (EEC) No 1896/73 and (EEC) No 582/76 as regards beef which may be bought into intervention in Germany, and coefficients in the beef sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal [1], as last amended by Regulation (EEC) No 568/76 [2], and in particular Article 6 (5) (c) and (d) thereof,

Whereas the buying-in prices for intervention on the market in beef applicable from 15 March 1976 were fixed by Commission Regulation (EEC) No 582/76 of 15 March 1976 [3], as last amended by Regulation (EEC) No 1410/76 [4];

Whereas the coefficients laid down in Article 6 (1) of Regulation (EEC) No 805/68 were established by Commission Regulation (EEC) No 1896/73 of 13 July 1973 on detailed rules for the application of intervention measures on the market in beef and veal [5], as last amended by Regulation (EEC) No 1333/76 [6];

Whereas, Article 1 of Council Regulation (EEC) No 1302/73 of 15 May 1973 laying down general rules for intervention on the market in beef and veal [7], as amended by Council Regulation (EEC) No 1729/74 [8], provides that the qualities and cuts of products to be bought in by intervention agencies shall be determined taking into account, on the one hand, the need to give effective support to the market and to maintain the balance between the market concerned and that in competing animal products and, on the other hand, the financial burden on the Community; whereas the application of these criteria in the present market situation in beef, where a large number of certain categories of animals have appeared on the markets as a result of the drought prevailing in part of the Community, indicates that 'Ochsen A' should be included in the list of products which may be bought into intervention in the Federal Republic of Germany;

Whereas furthermore, the coefficients referred to in Article 6 of Regulation (EEC) No 805/68, should be fixed in accordance with Article 3 of Regulation (EEC) No 1302/73 for these same categories of animals;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EEC) No 1896/73 is hereby replaced by Annex I hereto.

Article 2

The Annex to Regulation (EEC) No 582/76 is hereby replaced by Annex II hereto.

Article 3

This Regulation shall enter into force on 26 July 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 July 1976.
