COMMISSION REGULATION (EEC) No 1901/76

of 30 July 1976

fixing for the 1976/77 marketing year in respect of trade within the Community the components designed to protect the rice and cereals processing industries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty of Accession [1],

Having regard to Council Regulation (EEC) No 2758/75 of 29 October 1975 laying down general rules concerning the components designed to ensure, within the cereals and rice sectors, the protection of the processing industry, and fixing those components in respect of the new Member States [2], and in particular the second indent of Article 1 (3) thereof,

Whereas under Article 61 (3) of the Act of Accession the components for protection of the processing industry, hereinafter called 'fixed components' are to be progressively abolished between the Community as originally constituted and the new Member States and between the new Member States themselves, such abolition to be carried out in accordance with the timetable laid down in Article 59 (1) of the aforementioned Act, each reduction being made at the beginning of the marketing year for the basic product in question ; whereas the fourth reduction consequently reduces those fixed components to 20 % of the basic fixed components ;

Whereas Commission Regulation (EEC) No 2495/73 of 13 September 1973 [3] authorized Denmark to abolish altogether the fixed components for certain cereal products ;

Whereas Commission Regulation (EEC) No 1900/76 of 29 July 1976 [4] has authorized the United Kingdom partially to suspend as regards certain products of the cereals and rice sector the component for the protection of the processing industry,

HAS ADOPTED THIS REGULATION :

Article 1

For the 1976/77 marketing year, the fixed components to be levied on imports from the new Member States into the Community as originally constituted and on imports into each new Member State from the other Member States shall be as shown in the Annex hereto.

Article 2

The fixed components referred to in Article 1 shall apply :

— with effect from 1 August 1976 in respect of products coming under Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals [5], as last amended by Regulation (EEC) No 1143/76 [6] ;

— with effect from 1 September 1976 in respect of products coming under Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice [7].

Article 3

This Regulation shall enter into force on 1 August 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 July 1976.
