COMMISSION REGULATION (EEC) No 2016/76

of 13 August 1976

derogating from Regulation (EEC) No 1667/76 laying down protective measures applicable to exports of fodder products and straw

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 827/68 of 28 June 1968 on the common organization of the market in certain products listed in Annex II to the Treaty [1], as last amended by Regulation (EEC) No 1067/74 [2], and in particular Article 3 (2) thereof,

Having regard to Council Regulation (EEC) No 1067/74 of 30 April 1974 on the common organization of the market in dehydrated fodder, as amended by Regulation (EEC) No 1420/75 [3], and in particular Article 7 (2) thereof,

Whereas Commission Regulation (EEC) No 1667/76 of 8 July 1976 [4], as amended by Regulation (EEC) No 1840/76 [5], laid down as a protective measure certain export charges on fodder products and straw;

Whereas at the time when these charges came into effect certain quantities of produce were already in transit with a view to their export;

Whereas special difficulties are at present arising at the frontiers of certain Member States due to the fact that it has not been possible to direct the produce in transit to other destinations;

Whereas export of the produce concerned would be equitable therefor, to allow without the charges being levied, where proof is provided that on the day the protective measures came into force they were in the above-described situation,

HAS ADOPTED THIS REGULATION:

Article 1

At the request of the person concerned, the export charges referred to in Regulation (EEC) No 1667/76 shall not be levied:

— on products falling within Common Customs Tariff subheading 12.10 B, shipped before 10 July 1976;

— on products falling within Common Customs Tariff heading No 12.09, dispatched before 31 July 1976,

for export outside the Community.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
