COMMISSION REGULATION (EEC) No 2079/76

of 23 August 1976

amending Regulation (EEC) No 1948/76 with regard to the quantities and dates fixed for deliveries of skimmed-milk powder to the Italian intervention agency

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 563/76 of 15 March 1976 on the compulsory purchase of skimmed-milk powder held by intervention agencies for use in feedingstuffs (1), and in particular Article 9 thereof,

Whereas Commission Regulation (EEC) No 1948/76 of 5 August 1976 on the supply of a first lot of skimmed-milk powder to the Italian intervention agency for use in accordance with Regulation (EEC) No 563/76 and amending Regulation (EEC) No 789/76 (2), provides that the German and French intervention agencies shall deliver to the Italian intervention agency 5 700 metric tons of skimmed-milk powder between 16 August and 3 September 1976; whereas (i) the deadline set for delivery has proved too short and should be extended, and (ii) a partial delivery of 500 metric tons cannot be taken over by the Italian intervention agency at the storage depot intended and this must therefore be deducted from the total amount of the first lot;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
