COUNCIL REGULATION (EEC) No 2101/76

of 25 August 1976

temporarily and totally suspending the autonomous Common Customs Tariff duties on a number of fresh or chilled vegetables

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 103 thereof,

Having regard to the Commission proposal,

Whereas the drought during 1976 has led to a considerable reduction in the availability of a certain number of vegetables in the Community ; whereas in view of the risk of increases in the cost of living to which this situation may give rise, the autonomous Common Customs Tariff duties on the vegetables concerned should be totally suspended for a limited period ;

Whereas the suddenness of the situation with which the Community is confronted, the urgency of the measures to be taken and their temporary nature and the absence of any provision in the Regulation on the common organization of the market in fruit and vegetables for dealing with such a situation with the necessary speed may be taken to justify recourse to Article 103 of the Treaty as an exceptional measure, subject to later integration of this measure into the common agricultural policy,

HAS ADOPTED THIS REGULATION :

Article 1

From the date of entry into force of this Regulation until 30 September 1976 the autonomous Common Customs Tariff duties on the products listed in the Annex hereto shall be totally suspended.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 August 1976.

For the Council

The President

M. van der STOEL
