COMMISSION REGULATION (EEC) No 2240/76

of 15 September 1976

extending the period of validity of the exceptional intervention measures in the beef and veal sector in certain regions of the Community most affected by the drought, and extending those measures to Denmark

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by Regulation (EEC) No 568/76 (2), and in particular Article 6 (5) thereof,

Whereas Commission Regulation (EEC) No 1478/76 of 24 June 1976 relating to exceptional measures of intervention to be taken in France on the market in beef and veal as a result of the drought (3), authorized the French intervention agency to buy in a fixed quantity of beef from certain categories of cow; whereas Commission Regulation (EEC) No 1643/76 of 7 July 1976 on the exceptional intervention measures in the beef and veal sector to be taken in certain regions of the Community most affected by the drought (4), as last amended by Regulation (EEC) No 1712/76 (5), authorized the German, Belgian, Luxembourg and Netherlands intervention agencies to buy in fixed quantities of beef from certain categories of cow;

Whereas Commission Regulation (EEC) No 1896/76 of 29 July 1976 (6) extended the period of validity of those measures to 15 September 1976;

Whereas need for these exceptional intervention measures persists in the abovementioned Member States; whereas the drought has led in Denmark also to an increase in slaughterings and to a massive oversupply of meat, particularly from certain categories of cow; whereas it is therefore appropriate to extend the period of validity of these measures and to include Denmark, by fixing for that Member State the quantities and buying-in prices for cows eligible for exceptional intervention purchase;

Whereas such intervention measures should be governed by the provisions of Commission Regulation (EEC) No 1896/73 of 13 July 1973 on detailed rules for the application of intervention measures in the market in beef and veal (7), as last amended by Regulation (EEC) No 1333/76 (8);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:
