COMMISSION REGULATION (EEC) No 2332/76

of 27 September 1976

authorizing Denmark and the United Kingdom to suspend temporarily and totally the customs duties on certain agricultural products intended mainly for animal feed and imported from other Member States and from non-member countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Treaty of Accession [1], and in particular Article 59 (4) of the Act annexed thereto,

Having regard to Council Regulation (EEC) No 2311/76 of 20 September 1976 temporarily suspending the Common Customs Tariff duties on certain agricultural products intended mainly for animal feed [2], and in particular Article 2 thereof,

Whereas Article 59 (4) of the Act lays down that, in respect of products covered by a common organization of the market, the new Member States may be authorized to align their tariffs with the Common Customs Tariff at a more rapid rate than that laid down or to suspend in whole or in part the customs duties on products imported from other Member States;

Whereas the Danish and United Kingdom Governments have requested a more rapid alignment and also the total suspension until 31 March 1977 of customs duties on certain agricultural products intended mainly for animal feed;

Whereas, by facilitating imports of the products in question from non-member countries, the measures will have a favourable effect on trade between the Member States and also on the supply situation of the new Member States; whereas the request of the Danish and United Kingdom Governments should therefore be granted;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats.

HAS ADOPTED THIS REGULATION:

Article 1

The Danish and United Kingdom Governments shall be authorized to suspend totally, until 31 March 1977, the customs duties on imports from other Member States and from non-member countries of the products indicated in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
