of 30 September 1976

amending Regulation (EEC) No 677/76 laying down detailed rules for the application of the system for compulsory purchase of skimmed-milk powder

Having regard to Council Regulation (EEC) No 563/76 of 15 March 1976 on the compulsory purchase of skimmed-milk powder held by intervention agencies for use in feedingstuffs [1], and in particular Article 9 (1) thereof,

Whereas Commission Regulation (EEC) No 677/76 of 26 March 1976 laying down detailed rules for the application of the system for compulsory purchase of skimmed-milk powder provided for in Regulation (EEC) No 563/76 [2], as last amended by Regulation (EEC) No 2159/76 [3], laid down the period of validity of the protein certificate and also the period for the production of the unused certificate permitting release of the security;
