COMMISSION REGULATION (EEC) No 2416/76

of 5 October 1976

on an invitation to tender for the refund for the export of wholly milled long grain rice to certain third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice (1),

Having regard to Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds (2),

Whereas, having regard to the current situation on the rice market, there should be opened in respect of wholly milled long grain rice an invitation to tender for the export refund provided for in Article 4 of Regulation (EEC) No 1431/76 ;

Whereas certain countries close to the rice-growing regions of the Community, namely Austria, Liechtenstein and Switzerland, are expected to supply themselves with Community rice within the framework of general refunds specifically fixed for those countries ; whereas they should therefore be excluded from the present tender ;

Whereas the detailed rules governing invitations to tender are as regards the export refund contained in Commission Regulation (EEC) No 584/75 of 6 March 1975 laying down detailed rules for the application of the system of tendering for export refunds on rice (3) ;

Whereas the objective of the tendering procedure can be attained only if every successful tenderer fulfils all the commitments entered into by him when submitting his tender ; whereas these commitments include an obligation to lodge an application for an export licence ; whereas compliance with this obligation may be ensured by requiring the tenderer to give security when submitting his tender ;

Whereas provision must be made to ensure the smooth operation of the procedure for tendering for export refunds ; whereas to this end it is appropriate to prescribe a minimum quantity to be tendered for and a time limit and form for the submission of tenders to the competent authorities ;

Whereas the second subparagraph of Article 1 (1) of Commission Regulation (EEC) No 584/75 provides that invitations to tender for the export refund shall be open on equal terms to all persons established within the Community ; whereas, by reason of the differing monetary circumstances in the various Member States, satisfaction of this condition cannot be ensured by the application of the exchange rates applicable for the purposes of the common agricultural policy, since monetary compensatory amounts do not apply in the rice sector ; whereas it is therefore advisable to make provision for each tender to be dealt with according to the situation of the currency in which it is submitted ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :
